

Application Serial No. 10/075,488
Amendment After Allowance Under 37 CFR 1.312 dated July 23, 2004
Confirmation No. 8822

Remarks/Arguments

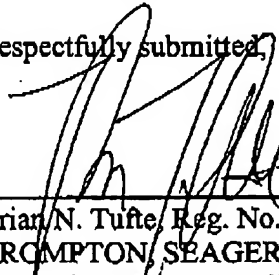

A Notice of Allowance was mailed on July 8, 2004 in the above-identified Application. However, no mention was made regarding new Figure 53, which was referenced and discussed in the Amendment-After-Final mailed on May 11, 2004. The undersigned called the Examiner during the week of July 12, 2004, and the Examiner indicated that the new Figure 53 was not in the file at the USPTO. The Examiner suggested that Applicant resubmit the new Figure 53 in this *AMENDMENT AFTER ALLOWANCE UNDER 37 CFR 1.312* prior to paying the issue fee.

The Examiner further indicated that if the new Figure 53 was in order, the Examiner would provide a supplemental Notice of Allowance referencing the new Figure 53. This *AMENDMENT AFTER ALLOWANCE UNDER 37 CFR 1.312* is being filed by Fax, and therefore, Applicant expects to file a formal new Figure 53 once a supplemental Notice of Allowance is received.

Please enter this Amendment prior to issuance of the patent. If a telephone conference would be of assistance, please do not hesitate to call the undersigned attorney at (612) 359-9348.

Respectfully submitted,

Dated: July 23, 2004
